and NSD File No. L-00-72.

Dear FCC:

I feel this is unfair because it is already high espicially for the airtime
cards like the one for 94.99 it would be unfair if you raise the cost and it
would also be unfair to me to pay the raise.

PLEASE DO NOT RAISE THE COST.

Thank you for your prompt attention to this matter. Please provide a written
response indicating the status/resolution of this matter.

Very truly yours,
